क्वचित् अर्थः क्वचित् धर्मः क्वचित् मैत्री क्वचित् यशः ।
कर्माभ्यासः क्वचित् चापि, चिकित्सा नास्ति निष्फला ॥

और कभी सिर्फ कर्म-अभ्यास ही मिलता है, परन्तु चिकित्सा कभी निष्फला नहीं होती ।
कभी धन, कभी धर्म, कभी मैत्री तो कभी यश मिलता है,

FIAGES SEPT 2019, IGIMIS, PATNA

Dear Colleagues,

It's our great pleasure to invite you all to the upcoming FIAGES course (Fellow of Indian Association of Gastrointestinal Endo-Surgeons) organized by Dept. of Gastro Intestinal Surgery, Indira Gandhi Institute of Medical Sciences, Sheikhpura, Patna to be held on 13th to 15th September 2019.

The Indian Association of Gastrointestinal Endo Surgeons (IAGES) has led nationally the transfer of standardised basic and advanced laparoscopic skills to the wider surgical community through the FIAGES courses. IAGES and IGIMS has come together this September to impart a very contextual course in the basics of minimal access surgery. This FIAGES course will be a faculty and content intensive educational experience. This will bring together native and national faculty to a highly structured academic IAGES format. IAGES will conduct a 3-day fellowship course on Laparoscopy from 13th to 15th September 2019. The course will be a balanced mix of didactic lectures by our eminent faculty, with discussions, video presentations and informal interactions with the faculty. Participants will have ample time to practice on the Endo Trainer, with guidance and supervision from the faculty, so as to improve their hand-eye coordination. FIAGES October 2019 at Patna will be go-to academic program for the fundamentals of minimal access surgery.

We look forward to welcoming you to this premier training course of FIAGES at IGIMS, Patna on 13th September 2019.
