Dear Friends and Colleague,

It is with utmost pride and pleasure that we invite you to attend FIAGES skilled course 2017 At Bansal Hospital, Bhopal. It will be conducted over 3 days from **29th September to 1st October 2017**.

This FIAGES in September 2017 is being held at City of Lakes, Bhopal with beautiful ambience Apart from several Surgical CME and Workshops, Bhopal has hosted the State conference: MPASICON for 2015 that was very well attended and academically enriching. It is the fellowship for the practicing laparoscopic surgeon awarded by the most prestigious and the largest organization of Minimal Access Surgeons in India; ie, Indian Association of Gastrointestinal Endo Surgeons (IAGES). The live workshop on **1st October 2017** will also be conducted at Bansal Hospital, a 300 bedded multispeciality Hospital, Bhopal where advanced laparoscopic surgeries are conducted routinely. We once again request you to come forward and register for the course and enjoy the hospitality and academic feast.

We look forward to welcome you at Bhopal.

Course Structure

IAGES membership is compulsory for fellowship course.

Non Examination Category

For non-Examination category, minimum of 10 years of experience of Laparoscopic Surgery is required after the post-graduation. You are expected to have performed over 250 laparoscopic procedures. Submission of some evidence or under taking is required to substantiate your claim of having vast experience in the field of minimal access surgery. The candidates registered in this category are required to attend all the lectures on 1st and 2nd day and live workshop on 3rd day. A formal interview of these candidates will be taken by FIAGES board members.

Examination Category

For examination category, the candidates are required to have minimum of 2 years' experience in Laparoscopic surgery after post-graduation in surgery. They are expected to have performed over 25 laparoscopic procedures independently or jointly. They have to attend proceedings on all 3 days including the endo trainer session and meet the fellowship course. During the session they will be trained in performance of specified tasks and specific exercise including Endo knotting and suturing. On the last day the evaluation will be done by expert faculty exercise.

Written Examination

There will be short essay type questions &/or MCQs. Theory Examination will be for 100 marks & candidates are required to obtain minimum of 50% marks to pass. The answer should be brief and to the point. The answer sheets are checked by five faculty members. Each answer sheet is checked by one examiner only.

Practical Examination (It has two parts)

1. The skills assessment on Endo trainer is based on performing simple to advanced exercise, approximately 10 minutes for each candidates. Minimum of 50 marks are allotted on Endo Trainer assessment. Five faculty members are deputed as examiner. Each candidate is examined by one examiner only.

2. Interview/Viva approximately 10 minutes for each candidates. The candidates are divided into batches and interviewed by two or more senior faculty members of IAGES depending upon the number of candidates. Maximum of 50 marks are allotted for the interview. Total marks for practical examination are 100 (endotrainer assessment 50 marks & interview 50 marks). A minimum of 50 marks is required, with separate passing in combined endotrainer assessment and interview.

Criteria of FIAGES Course

- IAGES membership mandatory.
