Dear friends,

It gives us immense pleasure in inviting you to attend a one of a kind FIAGES skilled course planned at Hosur.

This course is an ideal platform for surgeons who wish to improve their laparoscopic skills and become proficient in laparoscopic suturing and knotting. This is a structured course designed to cater the needs of surgeons from basic to advanced procedures. Every topic will be discussed in a fixed format addressing the key areas such as Anatomy, techniques, common problems encountered, how to overcome difficult situations, complications, current evidence and recommendations.

IAGES is a registered partner institution of the Royal College of Surgeons of England for International Surgical Training Programme (ISTP).
