About Rama Group

Since our inception in 1995, we started our journey in the spheres of healthcare and education and have today emerged as a globally recognized multi-faceted organization having a significant presence in the fields of education, healthcare, software and infrastructure. All our business entities have now become examples to quote, with highly advanced state of the art infrastructure and technology cutting all edges.

Our group has flourished by leaps and bounds in its entire vertical under the gigantic canopy of our Rama Educational Society. Rama's corporate philanthropy is to provide world-class education to each one of our students, the best medical facilities to every patient and access to healthcare for all.

Rama Hospital, Kanpur

Under the dynamic leadership of founder Chairman Lt. Dr. B.S. Kushwah, we started our journey in the year 2007, with the name of Rama Hospital, Medical College and Research Centre, in Kanpur.

The hospital was conceived with the idea of providing quality and timely medical treatment to the people under one roof managed by a team of highly skilled and talented doctors & professionals. The hospital has achieved a great success in medical services by gradually upgrading the facility and maintaining its service and quality of treatment. Over the years with relentless efforts, sincerity and devotion, the hospital has been catering to a population of 5 adjoining districts of U.P.

2020 FIAGES

Infrastructure

Rama Hospital, constructed over Approx. 36000 sq. meters, 06 storied and under expansion is a 590 bedded hospital with an enormous capacity of 123 other dedicated beds exclusively for the ICU, CCU, PICU, NICU Burn ICU, Respiratory ICU, HDU and allied critical care units.

Facilities

Rama Medical College, Kanpur is fully equipped with all the required learning tools and laboratories. The Faculty of Medical Sciences, Kanpur campus offers accommodation facilities to the students apart from the academic facilities at the Hospital such as

While serving as a strong learning platform, the hospital also caters to the medical needs of the people living in that area. The departments within the hospital include, Cardiology, Cardio Thoracic Surgery, Nephrology, Gastroenterology, Urology, Neurology, Neurosurgery, Pediatric Surgery, Plastic Surgery, Reproductive Medicine, Surgical Oncology, Radiotherapy and Blood Component Unit.

2020 FIAGES

IAGES Fellowship Course

IAGES will conduct a 3 days fellowship course in Laparoscopy on 24, 25 & 26 January 2020 at RAMA HOSPITAL, LAKHANPUR, KANPUR. The course will be balanced mix of didactic lectures by eminent faculty with ample time for discussion, video presentations, open house sessions, symposia and direct informal interactions of groups with eminent faculty (meet the professor). Participants will get ample time on endo trainer under close guidance and supervision of faculty to improve their hand-eye co-ordination by structured exercise.

On the third day, (i.e) 26 January 2020 a live operative workshop will be held at Rama Hospital, Lakhanpur, Kanpur. Commonly practiced basic and advanced laparoscopic procedures will be shown by eminent faculty who are masters in their field with emphasis on the correct techniques. The workshop shall be an open house interactive session with delegates as the central point. Lap appendix, Lap Cholecystectomy, Endoscopic TEP/TAPP Hernia and Lap Fundoplication are a few common procedures to be shown.

Meet The Professor Session

It gives a good opportunity for young surgeons to have interactive session which includes common basic and advanced procedure.

Endotrainer Sessions

The endo trainer sessions are very important part of the fellowship course. The session will be for 90 minutes and will be supervised by a faculty member in batches of 6-8 candidates so that there can be a close interaction. During the session they will be trained on performance of specified task and specific exercises including endo knotting and suturing. On the last day the evaluation will be on the same exercises.

Highlights

- Live operative workshop
- Live demonstration of knotting and suturing
- Renowned National faculty
- Tips and Tricks of procedures
- Gala banquet dinner

Who should attend?

- Surgeons aspiring to learn laparoscopic surgery and suturing the right way.
- Surgeons who perform basic laparoscopic surgery & seek to step-up to advanced procedures.

Who should one attend?

- Delegate focused program with an interactive model.
- Live workshop explaining in detail the anatomy, extent of dissection, critical view, suturing, tips and tricks.
- Eminent faculty delivering structured lectures on basic and advanced topics.
- Certificate Laparoscopic surgery course.

What do you gain?

- Competency in laparoscopic suturing.
- Ability to perform a safe surgery.
- Options in difficult scenarios.
- In the present medico-legal era, this structured course enables you to perform efficient laparoscopic surgery with a coveted.
