FIAGES 2019 @ Amaravati

Dear Friends & Colleagues,

It is with immense pleasure and utmost pride we welcome you all to FIAGES Amaravati 2019. It is for the first time that the prestigious Fellowship Course is coming to the capital city of our newly formed state "Andhra Pradesh – Sunrise State".

Amaravati is the Defacto capital city located on the southern banks of river Krishna. It has a 217 sq. km river front design to have 51% of green spaces and 10% water bodies.

This fellowship course is for practicing laparoscopic surgeons conducted under the aegis of the largest association of minimal access surgeons of India, Indian Association of Gastrointestinal Endo surgeons (IAGES). "It's our pleasure to let you know that IAGES is now partner institution for ISTP with the Royal College of Surgeons of England".

The 3 day course includes didactic lectures, live surgeries – performed by eminent National Faculty and hands on laparoscopic training.

Come, relish our hospitality, we assure you would take back good knowledge and a friendship to last forever with the best in the field.

*A. Dinakar Reddy*

## IAGES Fellowship Course

IAGES will conduct a 3 day fellowship course in Laparoscopy from 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> November, 2019 at NRI Superspeciality Hospital, Chinakakani, Guntur District, Andhra Pradesh. The course will be balanced mix of didactic lectures by eminent Faculty with ample time for discussion, video presentations, open house sessions, symposia and direct informal interactions of groups with eminent faculty (meet the professor). Participants will get ample time on endo trainer under close guidance and supervision of faculty to improve their hand eye co-ordination by structured exercise. Besides the allotted time, there will be liberal availability of endo trainer at other times.

On the third day, (i.e.,) 3<sup>rd</sup> November 2019 a live operative workshop will be held at NRI Superspeciality Hospital, Chinakakani, Guntur. Commonly practiced basic and advanced laparoscopic procedures will be shown by eminent faculty who are masters in their field with emphasis on the correct Techniques. The workshop shall be an open house interactive session with delegates as the central point. Lap appendix, Lap Chole, TEP, TAPP and Lap fundoplication are few common procedures to be shown.

## Meet the Professor Session

It gives a good opportunity to young surgeons to have interactive session which includes common basic and advanced procedures.

## Endotrainer Sessions

The endo trainer sessions are very important part of the fellowship course. The session will be for 90 minutes and will be supervised by a faculty member in batches of 6 to 8 candidates so that there can be a close interaction. During the session they will be trained on performance of specified tasks and specific exercises including endo knotting and suturing. On the last day the evaluation will be on the same exercises.

### Assessment for Certification

At the end of the course the candidates will be assessed for the certification. The method of assessment will depend on whether the candidate is in examination or non examination.

### The Convocation

All fellowship certificates will be given only in person to the successful candidate in a convocation ceremony during the national conference of IAGES. A nominal convocation fee will be charged which is already included in the fees package.

## Eligibility for FIAGES COURSE
